September Cabinet Meeting by 1st VDG Coy Moody

In mid September, Region Chair Mark Smith and the Yreka Lions hosted our first cabinet meeting for Governor Lee's year. The attendance was very low. That Saturday was opening day for deer season. That's the excuse I heard a lot. I trust there is a lot of venison in freezers now. I think our economy, gas prices, and the distance for many had a lot to do with it. Those who were not there missed one of the most informative cabinet meeting we have had in a long time.

We need input from Lions as to how we can change things to get better attendance. Your District Governor team would like your input. E-mail us, talk to zone and region chairs or your dub Presidents. We are here to pass on information from the meetings and training we attend. Would one day meetings be better attended?

The Zone/Region caucus with Governor Lee was well attended and seemed to go well with a lot of interaction. Lion Tyler Spencer gave demonstration about the LCI web site, some of the content, and how to navigate it. He is available to answer questions if you call or e-mail him. Lion Dea Marschner talked about Gift of Life (Organ Donating). The primary presentation was by District Governor Liz Crooke visiting from District C-6 and our own PDG Becki Stange. They did an outstanding job and covered a lot of information on

mentoring, orientation, tips for Secretaries and Treasurers, and answered a lot of questions. Sunday was mostly reports and discussion on the Governors contest in regards to the points for glasses, hearing aids and cartridges. All are one point plus time collecting. A motion to add coats was made but defeated. You can put your own value on them plus the time.

Our next Cabinet meeting is in the South Butte Region on December 3 and 4, 2011. We have some more informative speakers lined up.

With this issue we will be mailing a copy of the Mane-Lion to each dub. Thanks to Lions Melanie Hunter and Robyn Rockwell who volunteered to do this. Please share copies with dub members who cannot get it on-line.

Yours in Lionism 1VDG Coy Moody

NOTES FROM THE USA/CANADA FORUM

Hello District 4-C1 Lions,

PDG Steve and I recently got home from Anchorage, Alaska and the USA/Canada Forum. It was a great experience for us. We attended some wonderful seminars, ran into many Lions friends from around the U.S. and met new friends.

International President Dr. Wing-Kun Tam popped in to many of the sessions and spoke to us several times. He is very inspiring as our leader this year. One of his main focuses this year is his Tree Planting Campaign. His goal for 2011-12 was that one million trees would be planted worldwide. The current count is 2,140,345 after only 3 months. This is something we as individual Lions and as Lions club members can participate in. If you or your Lions club do any tree planting between now and July 1, 2012, just go to the LCI website to register it. Go to lionsclubs.org and click on Member Center to enroll. It will be great to be part of this project.

President Tam's theme is "I Believe". Believe that one person can make a difference. Believe that the entire world can be changed when we come together as Lions believe that changing a life--or the world--starts with each one of us.

Our District has something to celebrate on October 15 when the Oroville Ophir LionsClub have their Official Charter Night. I'll hope to see many of you there.

Let Our Efforts Begin!

Our District's Lions Clubs are awakening to the need to acknowledge that we are at a crucial time in our history. We need to face the fact that we can and must adjust our mindset toward the way we do some things at the club level.

It is true now and in the past that most of our clubs DO SERVE our communities quite well! Please understand that your leadership group understands and appreciates your successes. But, the reality is that we must act as a whole District and each club must do its part in stabilizing its membership and then must grow.

There are those who will get negative and criticize our efforts to increase club size and District size. I question why. Is it not true that having more members reduces the load on some of our members and yet more members also allow for more community service?

Is it not time to BRANCH? Is it not time to invite NEW members? Is it not time to reach out to the YOUNGER citizens in the community? Is it not time to help an ETHNIC group serve its constituency? Is it not time to welcome our FAMILY MEMBERS and our SPOUSES into our clubs?

My challenge to you.....Grow, Increase, Develop,and most of allServe!

Submitted with all our welfare in mind,
Steve Robeson, Leadership Coordinator, GLT

If your club needs assistance in these areas, call your Zone Chair, Region Chair, District Governor, District Membership Coordinator or Leadership Coordinator.

FALL

Pumpkin Pie Potpourri

Use a pumpkin incense burner to suggest the cozy scent of pie just out of the oven. Cut off the pumpkin's top and scrape out the innards; carve round vents with an apple corer. Rub cinnamon or pumpkin-pie spices onto the lid, or push cloves into it. With a lighted tea light candle inside, the pumpkin will give off a nice fragrance for about six hours

Pumpkin-Walnut Flapjacks

Ingredients:

1 1/4 cups buttermilk
 3/4 cup canned pure pumpkin
 4 large eggs, separated, room temperature
 1/4 cup sugar
 3/4 teaspoon vanilla extract
 1/4 cup (1/2 stick) unsalted butter, melted
 1 1/3 cups cake flour
 1 3/4 teaspoons pumpkin pie spice
 1 teaspoon baking soda
 1 teaspoon baking powder
 1/2 teaspoon salt

Vegetable oil or butter
 1/2 cup finely chopped walnuts
 Pure maple syrup

Preparation

Whisk buttermilk, pumpkin, egg yolks, sugar, and vanilla in medium bowl to blend; whisk in melted butter. Whisk flour, pumpkin pie spice, baking soda, baking powder, and salt in large bowl to blend. Add dry ingredients to buttermilk mixture and whisk to combine.

Using electric mixer, beat egg whites in medium bowl until soft peaks form. Fold whites into batter.

Lightly oil or butter heavy large skillet set over medium heat. Working in batches, pour batter by 1/3 cupfuls onto skillet; cook until bubbles form on top, about 1 1/2 minutes. Turn flapjacks over and cook until second sides brown, about 1 minute. Transfer flapjacks to plates. Sprinkle with nuts. Serve with syrup.

1. Help each other to be right – not wrong.
2. Look for ways to make new ideas work – not for reasons they won't.
3. If in doubt – check it out! Don't make negative assumptions about each other.

4. Help each other win and take pride in each others' victories.
5. Speak positively about each other and about your organization at every opportunity.
6. Maintain a positive mental attitude no matter what the circumstances.
7. Act with initiative and courage as if it all depends on you.
8. Do everything with enthusiasm – it's contagious.
9. Whatever you want – give it away.

10. Don't lose faith – never give up.
11. Have fun!
