

Former Member Entrance Fee Rebate Form For Existing Clubs
For members added on MMRs from December 2005 through June, 2006 and received on or before July 31, 2006

At the International Board Meeting in Kolkata, India (November 2005) the Former Member Entrance Fee Rebate Concession provision was instituted December 1, 2005 thru June 30, 2006. This provision provides a rebate of the US\$25 entrance fee when former Lions join an existing Lions Club. In addition former Lions will automatically receive their previous service credit under this provision. *However, previous membership tenure would not apply for the year-and-a-day voting formula.* The rebate will be credited to the club account on the club statement after the new member is reported on the Monthly Membership Report. To ensure the proper use of this benefit the following requirements need to be met:

Former Member Eligibility Requirements

1. The individual rejoining an existing Lions club must have dropped in good standing
2. A period of 6 months or more must have elapsed since the drop date. Former members within a 6-month period should apply using the Transfer/Reinstated Membership provision.
3. The club adding the member must be in good standing at the time the membership application is completed and the number of former Lions members eligible for the rebate may not exceed 50% of the club's membership size based on its membership roster as of July 1, 2005.
